

 **Profit** +

**Want to sell
your product online ?**

Introduction

The purpose of this proposal is to give you some information about Profitplus and the account management services we offer, along with information and pricing for a custom account management solution based on your needs. Based on our previous discussion, I feel like we're a good fit for one another. I've spoken with my team, and they're excited to get to work helping you reach your marketing goals.

At the end of this document, you'll find a pricing table that includes the services we've discussed previously. If, after reviewing our full list of services, you feel like the items in the pricing table don't fit your needs appropriately, just send me a comment (to the right) and I'll make any necessary changes.

Once you're happy with the services and prices for your custom account management solution, go ahead and e-sign at the bottom of this proposal and we'll move forward from there.

Overview

If you are looking to build your business online, then you are at the right place. Getting yourself listed on online marketplaces, for example, **Amazon** , **flipkart** , **Meesho** ,**lime road** , **Myntra**, **Tata Cliq** , **Ajio**, Etc. . Can help you get found by entirely new customers and grow your online business. We enable your company to be a part of the fast- growing world of online retailing. With our elite end-to-end solutions, committed industry experts, transparent and simple processes, We help you not only to participate in the online marketplace but garner the profits of the dynamic and promising universe of e-commerce.
